NoSQL LDRD - Task #20574

Thread-safe Striped data client

08/09/2018 10:54 AM - Igor Mandrichenko

Status:	New	**Start date:**	08/09/2018
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	50%
Category:		**Estimated time:**	0.00 hour
Target version:		**Spent time:**	0.00 hour

Description

Make the striped data client thread safe.
That will allow to have shared metadata cache in the Job Server and reduce the small job start overhead.
