NuMI Beam																									
NuMI Beam Simulation																									
Merge NOvA, Minerva branches onto HEAD	New																								
Merge variants into unified single codebase	New																								
Convert Flugg to output Dk2Nu ntuples (...)	New																								
Convert g4numi to write Dk2Nu ntuples (...)	New																								
Package up "fluka" as a UPS product	New																								
Package up "flugg" as a UPS product	New																								
Package up "g4numi" as a UPS product	New																								
Eliminate geometry overlaps	New																								
Solve issue w/ flugg files having entries (...)	New																								
Running g4numi throws energy non-conservation (...)	New																								
Review request [commit:HEAD-20160913-203816: (...)	New
