art stakeholders meeting

Upcoming *art* releases

- *art* 2.13 legacy series (later this week)
 - Upgrade from ROOT 6.12/06a to 6.16/00
 - Includes upgrading TBB, SQLite, and Python 2 versions
 - Requires C++17

- *art* 3.03
 - Probably next week

SciSoft OS support

- Erica and I are formulating next steps about this
- I would like to distribute the results of the OS survey by the next *art* stakeholders meeting
