

artdaq - Idea #11693

Create an artdaq-skeleton (and probably artdaq-core-skeleton) package that users can use to get started.

02/09/2016 12:41 PM - Kurt Biery

Status:	New	Start date:	02/09/2016
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Under Consideration	Estimated time:	0.00 hour
Target version:			
Experiment:	-		
Description			
... on experiment-specific packages. This would be leaner than the artdaq-demo.
