Necessary Maintenance # 11785 (Accepted): support needed for art 1.19 and 1.17.100

release notes

02/19/2016 02:18 PM - Lynn Garren

Status: Accepted	Start date: 02/19/2016
Priority: Normal	Due date:
Assignee:	% Done: 50%
Category:	Estimated time: 0.00 hour
Target version:	Spent time: 2.00 hours
Scope: Internal	SSI Package:
Experiment: -	
Description	
The script that creates release notes needs to add canvas.	
Will gallery have a script to create release notes?	

History

#1 - 02/22/2016 12:05 PM - Kyle Knoepfel

- Tracker changed from Support to Necessary Maintenance
- Status changed from New to Accepted

Yes, the release-notes scripts might benefit from an overhaul so as to be applied to gallery as well.

#2 - 03/11/2016 02:27 PM - Lynn Garren

canvas/tools/relnotes now recognizes gallery as a special case that should be treated the in the same way as art. Remaining to be done: report both gallery and art versions when making the release note tag for a single package.
