### History

#### #1 - 03/02/2016 06:51 PM - Kyle Hazelwood

- Category set to Client
- Status changed from New to Assigned
- Assignee set to Kyle Hazelwood
- Estimated time set to 1.00 h

This is a known problem. The bug is very browser dependant. I believe the new elog version in developement has already fixed this.

#### #2 - 11/22/2016 07:16 PM - Kyle Hazelwood

- Status changed from Assigned to Closed
- Target version set to Version 1.0

This is fixed in the new version. It makes the most of the thumbnail width.
