Assignee:		% Done:	0%
Category:	Hygiene	Estimated time:	2.00 hours
Target version:		Spent time:	0.00 hour
Description			
Remove some of the clutter in the trace buffer by turning off the ACNET task messages.			

History

#1 - 04/06/2016 04:11 PM - John Diamond

Kevin found out how to do this:

```
#  
# Make sure all tracing is OFF  
traceGlobalOff(0,31,0)  
traceGlobalOff(0,31,1)  
#  
# Trace messages go to the Trace CB only  
traceMode(1)  
#  
# Turn trace ON for level #1 to the CB (my trace messages)  
traceGlobalOn(1,1,0)  
#  
# Turn off all Trace CB messages for the tAstReq Task  
#traceOff( taskIdFigure("tAstReq"), 0, 31, 0 )  
#
```
