Milestone # 13283 (New): Establish Test Stand

Establish Targets file, startup scripts and boot areas

07/19/2016 11:57 AM - John Diamond

Status:	New	Start date:	07/19/2016
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Establish Targets file entries for test node and the planned operational nodes. Create boot areas and boot scripts for each node (copy from fe/rrbpm/rrbpmstartup-ibpmts). Verify that build system works with the clone of rrbpm made in #13288 .
