

uBooNE Reconstruction - Task #13418

Milestone # 13399 (New): Parent reconstruction milestones/tasks for reconstruction necessary for MCC8 and reconstruction "v6"

Milestone # 13400 (New): MCC8 and "v6" reconstruction development

Milestone # 13404 (New): Optical Reconstruction

Understand existing optical reconstruction in the Monte Carlo (MCC 7)

08/02/2016 02:42 PM - Tracy Usher

Status:	New	Start date:	08/02/2016
Priority:	Normal	Due date:	10/01/2016
Assignee:	Pip Hamilton	% Done:	0%
Category:		Estimated time:	320.00 hours
Target version:			
Description			
This task aimed at understanding the optical reconstruction in the context of the Monte Carlo, will require MC truth information that does not currently exist.
