Category:		Estimated time:	10.00 hours
Target version:		Spent time:	0.00 hour
Description			
We are unmounting /minos/data/ from fermigrid at the end of August 2016. RoundUp needs to use /pnfs/minos/persistent/ instead of /minos/data for input files.			

History

#1 - 08/24/2016 12:52 PM - Dipak Rimal

- The round up script is run as "minonspro" presently on minos27.
- Test on /minos/data/
- subdirecotories are nearcat, farcat, mcnearcat, mcfarcat
- Document the testing process
- commit the new roundup script to cvs
