<b>Target version:</b>		<b>Spent time:</b>	1.00 hour
<b>Description</b>			
Depending on the machine and what element type is selected you may need to display > 5000 rows and I 78 currently won't.

- Status changed from Assigned to Closed

Fixed. Had to include window\_set\_parameter() with the maximum rows set to the current selections row count. With this I had to extend the character space for the row index by 1.
