

Elog - Idea #14766

isHidden API default to false

12/06/2016 10:00 AM - Michael Wren

Status:	New	Start date:	12/06/2016

Description			
It might be useful if the default for the API was isHidden=false. Most of the time one does not care about the hidden entries unless one is explicitly looking for them. This would reflect that preference.
