LArSoft - Milestone #15313

Migrating LArSoft to SPACK build system

01/25/2017 12:28 PM - Katherine Lato

Status:	Assigned		**Start date:**	01/25/2017
Priority:	Normal		**Due date:**	
Assignee:	Lynn Garren		**% Done:**	0%
Category:	Install / build / code mgmt		**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour
Experiment:	-			

Description

Purpose:
To migrate to a standard set of build tools that have broad community support
To address portability and configurability issues raised with the current build system
To allow continuing use of Mac OSX as a LArSoft development platform within the context of Apple's System Integrity Protection system

Expect this to require effort from: Jim Amundson, Chris Green, Lynn Garren
