<b>Description</b>			
Hi David,			
Could you please update the DUNE geometry wiki page: <a href="https://cdcvns.fnal.gov/redmine/projects/dunetpc/wiki/DUNE_Geometries">https://cdcvns.fnal.gov/redmine/projects/dunetpc/wiki/DUNE_Geometries</a> and add plots for FD 1x2x6 and protoDUNE single phase geometries? It would be good to also include dual phase geometries but I think people are planning to rotate the dual phase geometries back to the real configuration so maybe it is better to wait until that is done.			
Thanks, Tingjun
