

Fermi File Transfer Service - Feature #16264

Change to use standard python packaging instead of ups

04/21/2017 10:04 AM - Robert Illingworth

Status:	Resolved	Start date:	04/21/2017
Priority:	Normal	Due date:	
Assignee:	Brandon White	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	v6_0_0	Spent time:	0.00 hour
Description			
Change FTS to use a python virtual environment and standard python packaging tools (distutils/setuptools/pip) for dependencies.
