

VME BPM - Task #16573

Milestone # 16570 (New): Improvements for auto-tune operation

Establish alarms for SBPMxx nodes

05/17/2017 10:40 AM - John Diamond

Status:	New	Start date:	05/17/2017
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Establish alarms so we can be notified by MCR when SY BPMs are not responding.			

History

#1 - 05/17/2017 10:44 AM - John Diamond

It appears that these nodes already have guaranteed readable devices that we can possibly use for alarms:

Node	Guarenteed-readable Device
SYBPMP	G:0C0EV0
SBPMF1	G:0C04V0
SBPMF3	G:0C05V0
SBPMF4	G:C1BGRS
SBPMT9	Z:BP3GRS
