Production Operations Management Service (POMS) - Feature #17026

Color code numbers in job tables

06/26/2017 11:42 AM - Marc Mengel

Status:	Closed		**Start date:**	06/26/2017
Priority:	Normal		**Due date:**	
Assignee:	Vladimir Podstavkov		**% Done:**	100%
Category:			**Estimated time:**	2.00 hours
Target version:	v2_2_0		**Spent time:**	1.50 hour
Scope:	Internal		**Stakeholders:**	
Experiment:	-			

Description

History

#1 - 06/26/2017 11:43 AM - Marc Mengel

- Target version set to v2_1_3

4) As much as is possible, convert numbers to graphics so the table is easier to parse at a glance (it is hard to compare 5-digit numbers quickly). If I had total freedom, I would suggest the following:

Column 1: Total # of Jobs
Column 2: A bar with different color segments for Idle, In Progress, Held, Crashed, Completed not Located, Completed and Located
Column 3: Total # of Files in dataset
Column 4: A bar with different color segments for Waiting, Transferring, In Progress, Consumed, Skipped
Column 5: Efficiency (suggest color-coding to match the levels in the Experiment Computing Summary page)

#2 - 06/26/2017 12:58 PM - Anna Mazzacane

- Target version changed from v2_1_3 to v2_2_0

#3 - 08/25/2017 02:53 PM - Anna Mazzacane

- Assignee set to Vladimir Podstavkov

#4 - 08/28/2017 11:55 AM - Vladimir Podstavkov

- Status changed from New to Work in progress

- % Done changed from 0 to 80

- Estimated time set to 2.00 h

#5 - 09/01/2017 01:56 PM - Anna Mazzacane

- Status changed from Work in progress to Resolved

Closed the task, but to discuss Marc's suggestions

#6 - 09/01/2017 02:01 PM - Anna Mazzacane

- % Done changed from 80 to 100

#7 - 09/01/2017 02:27 PM - Anna Mazzacane

- Status changed from Resolved to Closed
