Category:			**Estimated time:**	0.00 hour
Target version:	ECL V8.0		**Spent time:**	0.00 hour
Experiment:	-			

Description

We need to sanitize the from name before creating it and make sure that no quotes are present and also that the string is valid, like to empty string..
A user from gm2 created a form with a name containing quotes; when trying to address it to delete it, app crashed dump not finding the form..
