Production Operations Management Service (POMS) - Bug #18176

Don't fail if session_experiment is not set

11/09/2017 11:18 AM - Marc Mengel

Status:	Closed	**Start date:**	11/09/2017
Priority:	Normal	**Due date:**	
Assignee:	Marc Mengel	**% Done:**	100%
Category:		**Estimated time:**	0.00 hour
Target version:	v2_3_0	**Spent time:**	0.00 hour
First Occurred:		**Experiment:**	-
Scope:	Internal	**Stakeholders:**	

Description

Currently if we end up with a Experimenter entry where "session_experiment" is an empty string,
the user just gets a crash dump and we cannot proceed.

```
An internal error occurred, data has been logged. Please report the occurrance to POMS administrat
ors.
