The e14 build will be available soon. Do you also want the e15 build?

#3 - 01/17/2018 04:08 PM - Raymond Culbertson

Rob may have another thought, but I think so, if it is not too hard.
I think we will want to start testing e15 now with this release.

#4 - 01/17/2018 04:49 PM - Rob Kutschke

The priority is the e14 release. Please make the e15 release at your leisure.
