

dune-artdaq - Task #19397

Provide the infrastructure for running multiple partitions

03/15/2018 04:08 PM - Ron Rechenmacher

Status:	New	Start date:	03/15/2018
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
<p>[pdune] Provide the infrastructure for running multiple partitions</p> <ol style="list-style-type: none">This may already be done.It includes the work to allow multiple copies (or "projects" or whatever) of the JCOP Run Control to run at the same time, ditto, DAQInterface, ditto the artdaq processes, ditto, the online monitoring art processes. (How about MONET?)To help ensure validate the reliable implementation of this feature, we should test it on one or more DAQ teststands at Fermilab.
