Target version:		Spent time:	0.00 hour
Description			

History

#1 - 03/27/2018 11:01 AM - Steven Timm

- Assignee changed from Steven Timm to Stuart Fuess

#2 - 04/13/2018 03:32 PM - Steven Timm

- Status changed from New to Work in progress

- % Done changed from 0 to 20

Stu made and posted this documentation but there were never any shifters to try it out nor was the system in stable enough state for most of the data challenge such that shifters could/should have been watching.
