

ProtoDUNE Data Management - Bug #19649

FTS monitoring sometimes doesn't plot successful transfer data until hours later

04/11/2018 01:13 PM - Steven Timm

Status:	New	Start date:	04/11/2018
Priority:	Normal	Due date:	
Assignee:	Robert Illingworth	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
have seen this happen twice this week with transfers to FNAL not showing in monitoring until hours later and then all getting plotted in one big peak.			

History

#1 - 04/24/2018 01:04 PM - Steven Timm

- Tracker changed from Task to Bug

We have now seen this happen in fts v6_2_0 beta, using the xrootd client.. so it is not just a bug tied to the eos slowness need to investigate further.
