| Description John has made good progress in this area, and we need to roll it out. | |

History

#1 - 07/18/2018 09:58 AM - Kurt Biery

John has a demo system that tests this.

#2 - 07/18/2018 10:00 AM - Kurt Biery

the develop branch of DAQinterface

BRs -> EBs -> disk
-> Dispatcher
seen on woof

needs to be deployed at protoDUNE

#3 - 07/18/2018 11:44 AM - Kurt Biery

- Priority changed from Normal to High

#4 - 07/23/2018 03:48 PM - Ron Rechenmacher

- Subject changed from write date files directly from event builders to write data files directly from event builders

#5 - 07/24/2018 12:45 PM - Kurt Biery

- Status changed from New to Resolved

This has been rolled out to protoDUNE.

There are likely some simple_test_configs that we should develop to test this functionality going forward.
