

NoSQL LDRD - Task #20574

Thread-safe Striped data client

08/09/2018 10:54 AM - Igor Mandrichenko

Status:	New	Start date:	08/09/2018
Priority:	Normal	Due date:	
Assignee:		% Done:	50%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Make the striped data client thread safe. That will allow to have shared metadata cache in the Job Server and reduce the small job start overhead.
