Off-the-Shelf DAQ - Idea #20928

Allow configure to return bool

09/25/2018 04:01 PM - Ryan Rivera

Status:	Closed		**Start date:**	09/25/2018
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour

Description

False would indicate "not done, come back to me" .. this way you could have multiple passes through to configure Device 0 partially, then Device 1, then complete Device 0, for example.

CFO / DTC behavior might be example.

History

#1 - 10/11/2018 12:41 PM - Ryan Rivera

- Status changed from New to Closed

Completed. Added iteration index and indicate not done for front ends interface plugins.
