

SAM Web client - Feature #21003

Search for datasets by last use in a project

10/03/2018 11:15 AM - Marc Mengel

Status:	New	Start date:	10/03/2018
Priority:	Normal	Due date:	
Assignee:	Marc Mengel	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Currently you can list datasets by when they were created, who created them, and filename patterns; but for purposes of cleaning up, listing them by when they were last used is useful.			
This has been discussed in various tickets, including INC000000972541
