

NIMI - Feature #213

Reorganize links on TIssue admin page

01/07/2010 12:42 PM - Lauri Carpenter

Status:	Resolved	Start date:	01/07/2010
Priority:	Normal	Due date:

Category:		Estimated time:	40.00 hours
Target version:	v1_0_0	Spent time:	80.00 hours
Description			
Reorganize the "page_header" links on the left side of the TIssue admin pages to make more sense (i.e., flow in some sort of logical fashion with things that are related to each other being close to each other on the page). Reduce the number of separately maintained ("copy and tweak") files in the dtml directory by using internal logic to determine which things should be shown (admin vs. regular user).
