

TissueV2 - Bug #2142

email not going out to everybody we think

11/11/2011 12:39 PM - Lauri Carpenter

Status:	Closed	Start date:	11/11/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Bug in ncis_common/NcisUtility/BaseMailMessage.py, exposed sometime after the [unannounced] change to smtp.fnal.gov. Only the FIRST address in a string list of to/cc was actually receiving the email.			
Fixed in ncis_common v2_3d, installed in emergency mode on 11/11/11.
