

project-py - Task #21683

Check campaign stage by submission

01/14/2019 02:02 PM - Yuyi Guo

Status:	Closed	Start date:	01/14/2019
Priority:	Normal	Due date:	04/01/2019
Assignee:	Yuyi Guo	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	v0_1	Spent time:	0.00 hour
Description			
The same campaign could be submitted more than one time. We should be able to check a stage by the submission.			

History

#1 - 01/23/2019 11:37 AM - Yuyi Guo

Detailed requirements from Pengfei:

The status checking should provide an additional option, letting the user to check:

- 1) all submissions for the campaign (if the user is using a draining dataset, and multiple submissions are only for recovery jobs, resulting in one file per parent file in the resulting POMS campaign for the next stage);
- 2) the last submission of the campaign (by default);
- 3) a previous submission.

#2 - 03/07/2019 12:40 PM - Yuyi Guo

- Target version set to v0_1

#3 - 03/11/2019 01:04 PM - Yuyi Guo

- Status changed from New to Work in progress

#4 - 03/11/2019 03:54 PM - Yuyi Guo

- Due date set to 04/01/2019

#5 - 03/28/2019 11:04 AM - Yuyi Guo

- % Done changed from 0 to 100

- Status changed from Work in progress to Resolved

#6 - 06/10/2019 10:52 AM - Yuyi Guo

- Status changed from Resolved to Closed
