<b>Experiment:</b>	-		
<b>Description</b>			
Mu2e has requested (for now offline) support for art v2_12_00. Seeing as we are approaching a release, it might be a good idea to see if this art version can be supported without code changes to artdaq.

### History

#### #1 - 01/29/2019 02:52 PM - Eric Flumerfelt

This will not be a simple upgrade; there are changes to RootOutFile that will need to be reflected in RootDAQOutFile. Some header files have been removed.

Will table this until we have time to do the upgrade properly.

#### #2 - 01/30/2019 02:25 PM - Eric Flumerfelt

- Status changed from New to Work in progress

#### #3 - 02/27/2019 01:54 PM - Eric Flumerfelt

- Status changed from Work in progress to Resolved

With the latest commits, everything builds and tests pass.

#### #4 - 04/24/2019 12:01 PM - Eric Flumerfelt

- Status changed from Resolved to Rejected

Mu2e has since moved on to art v3. This issue is now obsolete.
