

Elog - Idea #22096

Move thumbnails menu option titles above selection boxes

03/08/2019 01:19 PM - Dennis Barak

Status:	New	Start date:	03/08/2019
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
<p>The thumbnail menu titles are currently below their respective selection boxes and two of them are closer to other selection boxes than they are to their own. I propose that the menu titles be moved above the selection box. That would clarify which option is to be adjusted.</p>
