<b>Description</b>			
Three file were found to not be in dCache persistent storage. There were written in 2017.			
I will post the notification separately.			
Rui seems to have already removed the file from the rchen2 area. I will remove the two empty minospro files.

If you still have a local copy, you may remove the files in dCache and retransfer the files. If you don't need the files any more, please remove them from dCache pnfs. If you still need the files and don't have a local copy, please let us know.

Thanks,

Yujun
