Category:	Erlang Client Application		**Estimated time:**	0.00 hour
Target version:				

Description

The gen_fsm behavior has been deprecated in the Erlang standard library since OTP/18. The ACNET client library needs to use the newer FSM module.

History

#1 - 06/10/2019 02:37 PM - Richard Neswold

Dennis reported a crash in his front-end. It was due to a message being handled in the wrong callback. This will get fixed when this issue is complete.
