

artdaq Utilities - Support #22796

Update artdaq_node_server's db module

06/21/2019 07:38 AM - Eric Flumerfelt

Status:	Closed	Start date:	06/21/2019
Priority:	Normal	Due date:	
Assignee:	Eric Flumerfelt	% Done:	0%
Category:	artdaq-node-server	Estimated time:	0.00 hour
Target version:	artdaq_node_server v1_01_05	Spent time:	0.00 hour
Experiment:	-	Co-Assignees:	
Description			
With the new scheme of having mongodb running on multiple hosts with an arbiter, the mongodb URI handling in the db module of artdaq_node_server no longer works correctly. It should be changed to accommodate the new URI scheme.			

History

#1 - 07/03/2019 09:23 AM - Eric Flumerfelt

- Status changed from New to Resolved
- Project changed from artdaq to artdaq Utilities

Implementation on artdaq-utilities-node-server:feature/22796_dbmodule_MongoDBURI

#2 - 07/26/2019 08:45 AM - Eric Flumerfelt

- Target version set to artdaq_node_server v1_01_05
- Assignee set to Eric Flumerfelt
- Status changed from Resolved to Closed
- Category set to artdaq-node-server
