- % Done changed from 0 to 80
- Status changed from New to Feedback

An html5 clickthrough animation was created using the Google Web Designer software. It has not yet been placed into the existing code.

#3 - 07/25/2019 05:03 AM - Kiana Mohammadian

- % Done changed from 80 to 100
- File websitehtml.png added
- File html5.png added

The clickthrough animation has now been edited and two versions (one for screen sizes smaller than 1000px and one for greater) were designed and added into the website. Some pictures have been attached.
