Description

Steve,
I am not sure whom I should assign this one to. Please reassign.

Here is how to reproduce the error

1. go to https://poms-int.fnal.gov/poms/campaign_stage_info/dune/analysis?campaign_stage_id=4308
2. There is an "Immediate Dependencies" in The middle bottom and "ana" stage listed.
3. click on ana and it brought me to a new page. The error message:
400 Bad Parameters:
TypeError("campaign_stage_info() missing 1 required positional argument: 'campaign_stage_id',)
