Production Operations Management Service (POMS) - Feature #23617

Launch button should grey out or show busy while launch is proceeding

11/18/2019 10:43 AM - Marc Mengel

Status:	New		**Start date:**	11/18/2019	
Priority:	Normal		**Due date:**		
Assignee:			**% Done:**	0%	
Category:			**Estimated time:**	0.00 hour	
Target version:	v4_3_0		**Spent time:**	0.00 hour	
Scope:	Internal		**Stakeholders:**		
Experiment:	-				

Description

If the split type takes a noticeable amount of time, it can look to the user like nothing
is happening; we should put some busy indicator on the launch button so the user doesn't click
it again before we redirect to the launch output page.
