

Production Operations Management Service (POMS) - Bug #23694

Jobs held for expired credentials are emailing every launch_queued_jobs call..

12/03/2019 07:54 PM - Marc Mengel

Status:	Resolved	Start date:	12/03/2019
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	v4_2_1	Spent time:	0.00 hour
First Occurred:		Experiment:	-
Scope:	Internal	Stakeholders:	
Description			
They should hold the campaign stage, and not come up again in launch_queued_jobs until they're released...			

History

#1 - 12/03/2019 08:03 PM - Marc Mengel

Looks like this query:

https://cdcv.s.fnal.gov/redmine/projects/prod_mgmt_db/repository/revisions/develop/entry/webservice/SubmissionsPOMS.py#L883

should join(CampaignStage) and then filter on CampaignStage.hold_experimenter_id == None and not consider them for launching.

#2 - 12/03/2019 09:25 PM - Marc Mengel

- Status changed from New to Resolved

Fixed in [baf408fc](#) patched in production.
