Components DB - Task #24290

Create and configure the development instance of DB.

04/08/2020 11:25 AM - Vladimir Podstavkov

Status:	Work in progress		**Start date:**	04/08/2020
Priority:	Normal		**Due date:**	
Assignee:	Vladimir Podstavkov		**% Done:**	90%
Category:			**Estimated time:**	0.00 hour
Target version:	v0.1			

Description

The development DB instance should be running on node rexdb03 under Postgres 10. The dedicated users for the schema maintenance and web access should be created with the encrypted password access control.

History

#1 - 04/08/2020 11:28 AM - Vladimir Podstavkov

- Target version changed from v1.0 to v0.1

#2 - 04/08/2020 11:37 AM - Vladimir Podstavkov

- % Done changed from 0 to 90

- Assignee set to Vladimir Podstavkov

- Status changed from New to Work in progress
