

Production Operations Management Service (POMS) - Feature #24576

Include a test_split_type with test launch options

06/30/2020 11:34 AM - Marc Mengel

Status:	Work in progress	Start date:	06/30/2020
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	v4_3_0	Spent time:	0.00 hour
Scope:	Internal	Stakeholders:	
Experiment:	-		

Description

Users probably want something like a split type of "limitn(15)" on test jobs, distinct from whatever they're going to use for production. Probably best to make it a separate field in the campaign_stage; It would use the same field editor in the GUI...

History

#1 - 12/23/2020 02:56 PM - Marc Mengel

Draft of changes in [e6368cc](#)
still need to actually **use** it...

#2 - 12/23/2020 03:09 PM - Marc Mengel

- Status changed from New to Work in progress

So in [9a674c6](#) ... attempt to use it.
