

dunetpc - Feature #25072

Pandora Track/Shower BDT for ProtoDUNE-SP

10/14/2020 10:32 AM - Andrew Chappell

Status:	Closed	Start date:	10/14/2020
Priority:	Normal	Due date:	
Assignee:	Etienne Chardonnet	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Could the feature branch feature/chappell_pfo_ts_proto be merged into the next release of dunetpc, please.			
This feature will alter the pandoraTrack and pandoraShower products, along with downstream products depending on these. The pandora reconstruction products themselves will be unchanged.			

History
