

Electronic Collaboration Logbook - Bug #3413

Invalid tags in the XML API

02/04/2013 10:46 AM - Igor Mandrichenko

Status:	Work in progress	Start date:	02/04/2013
Priority:	Normal	Due date:	
Assignee:	Vladimir Podstavkov	% Done:	50%
Category:		Estimated time:	2.00 hours
Target version:		Spent time:	0.50 hour
Experiment:			
Description			
If the API client adds non-existing tag, it receives an error message, but new entry is created anyway.			

History

#1 - 04/29/2014 12:59 PM - Igor Mandrichenko
