

NOvA File Transfer System - Bug #3766

Tune scheduling of the far det raids

04/25/2013 12:06 PM - Andrew Norman

Status:	Accepted	Start date:	04/25/2013
Priority:	Normal	Due date:	
Assignee:	Andrew Norman	% Done:	50%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Tune up the linux kernel handling of the raids for data disk 1-3			

History

#1 - 04/25/2013 12:07 PM - Andrew Norman

- Status changed from New to Accepted
- Assignee set to Andrew Norman
- % Done changed from 0 to 50

did a:

```
echo deadline > /sys/block/sdb/queue/scheduler
```

on each of the data disks.

Also added the same line to the rc.local of each of the machines.

Will do an IO test next
