

Elog - Feature #4223

"Refined by" should support negations

06/27/2013 12:18 PM - Phil Adamson

Status: Closed	Start date: 06/27/2013
Priority: High	Due date:

Category: Database	Estimated time: 0.00 hour
Target version: Version 1.0	Spent time: 0.00 hour
Description One should be able to specify, for example, "Main Injector and not Operations" as a logbook view. The interface could support this by first selecting Operations as a refinement, and then clicking on a negation icon that appeared next to the word Operations, for example.

- Category set to Client
- Status changed from New to Accepted

I totally agree. Making this work properly is taking time.

#2 - 08/30/2014 06:50 PM - Kyle Hazelwood

- Priority changed from Normal to High

#3 - 11/23/2016 10:50 PM - Kyle Hazelwood

- Category changed from Client to Database
- Status changed from Accepted to Closed
- Target version set to Version 1.0

Done in the new version.
