<b>Target version:</b>		<b>Spent time:</b>	0.00 hour
<b>Experiment:</b>			
<b>Description</b>			
William Badgett			
Line breaks on ECL comments do not show up in eMails Please describe your issue below When one selects "add a comment" to an extant ECL eLog entry, the resulting eMail puts all the text on one line. Could you please add line breaks?			
The ECL entries for additional comments look OK, and the eMails from the original entry also look OK.			
Original SNOW ticket #RITM0066484
