

Elog - Idea #4659

Subscription Update

09/20/2013 10:32 AM - Beau Harrison

Status:	Closed	Start date:	09/20/2013
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Server	Estimated time:	0.00 hour
Target version:	Version 2.0	Spent time:	0.00 hour
Description			
It would be convenient to be alerted to updates of entries or logs a user is interested in. At the moment if there is an entry you are interested in and it is commented any significant amount of time later there is no real way to know that the comment has been made.

This thought came across my mind again today, so here is my BUMP to bring it back to attention.

This could be implemented simply as an email subscription when a user makes a entry or comment. There could be a subscribe checkbox that would send an email to the creating user, just like the email feature works, when comments or edits are made to the thread they are subscribed to.
