

## Node Registration V2 - Bug #5452

### Service-now allows removal of Asset Owning group, should only be able to edit, not clear the field

02/15/2014 05:36 PM - Timothy Zingelman

<b>Status:</b>	Resolved	<b>Start date:</b>	02/15/2014
<b>Priority:</b>	Urgent	<b>Due date:</b>

<b>Target version:</b>		<b>Spent time:</b>	0.00 hour
<b>Description</b>			
We discussed this at a meeting. Krysia said Mike should create a business rule.			

#### History

##### #1 - 02/17/2014 03:40 PM - Michael Baker

Send an email to Krysia stating:

To be clear, are we saying if a CI has an Asset owning group populated we can only edit it, not clear it. Or, are we saying that all CIs should have an Asset Owning group populated? If the latter is true, there seems to be a great number of CIs coming in from EquipDB that do not have this field populated.

##### #2 - 02/18/2014 10:44 AM - Michael Baker

- Status changed from New to Resolved

- % Done changed from 0 to 100

The "Asset Owning group" fields have been locked down.
