# JobSub - Feature #5533

Milestone # 6025 (Closed): Release JobSub v0.3

Milestone # 6027 (Closed): Improve output sandbox handling with fetchlog in client and server

## Fetchlog should accept output directory option to auto unzip the fetched log files

**Description**

Currently we only download the zip files when we do fetch log but do not unzip them. We should provide an option to unzip them as well.
