

NOvA Online Monitoring - Bug #5734

Fix ana output file name to include detector type

03/20/2014 11:56 AM - Michael Baird

Status:	Closed	Start date:	03/20/2014
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	1.00 hour
Description			
This is to avoid potential file name collisions if running fardet and neardet hardware watchlist stuff on the same machine. Should be a simple fix to FEB rate analysis code...
